

ILLINOIS TECH

Looking to further your career?

As Chicago's only tech-focused university, Illinois Tech knows that if you plan to work in a STEM field, or in any field where a graduate degree is a pathway to career advancement, the answer is simple.

We offer a variety of full-time and part-time courses both in person and online that suit the needs of working professionals.

Learn more about graduate study at Illinois Tech, including scholarships and research opportunities. GRE waivers available for qualified applicants.

**ACADEMIC
DEGREES IN**

Engineering - Science - Architecture - Business - Law - Design
Human Sciences - Applied Technology

Illinois Tech is ranked the #30 Best Value School in the country (U.S. News & World Report 2019).

For many professions, bachelor's degrees alone are no longer adequate for entry-level positions. According to the U.S. Bureau of Labor Statistics, jobs in fields such as psychology, mathematics, education, urban planning, and health care typically require master's degrees.
