

THE STAR GRAD SCHOLARSHIP

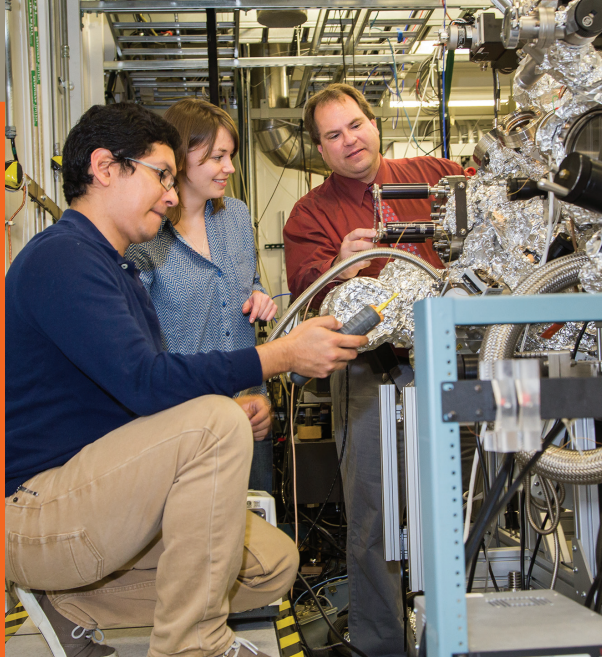

+HOW STARS SHINE.

Earn a one-time scholarship of up to \$20,000 for graduate studies at Chicago's innovation university

GEORGIA PAPAVALIOU (CHE '96, Ph.D. '03) is associate professor and director of the Polymeric Biomaterials and Tissue Engineering Lab at Illinois Tech. A University Excellence in Teaching Award recipient, she has implemented a tiered mentoring system in her lab where she works alongside graduate students, training them to serve as mentors to undergraduates.

Illinois Tech's newest merit scholarship, the Star GRAD (Graduate Distinction) Scholarship, awards talented students up to \$20,000 in support toward their total graduate tuition at Illinois Tech.*

You may apply your Star GRAD Scholarship to any master's-level academic degree program at Illinois Tech. Scholarship totals are based on a combination of test scores and academic history.

The Star GRAD Scholarship at Illinois Tech is your pathway to an excellent, relevant graduate education that is hands on, innovation focused, and idea driven.

Apply for admission today. Applicants are automatically considered for the Star GRAD Scholarship.
